

# ***The Foundation of Lean: Creating Stability with 5S & Visual Control Systems***

Last visit to MD in 2010.  
Don't miss your chance to  
catch the Lean Road Show!

**What?** A Lean workshop  
brought to you by  
The Lean Consortium\*\*

**When?** Wednesday, 9/22/10,  
from 8:00 am – 1:00 pm

**Where?** The Best Western Hotel,  
Westminster, MD

**Why?** To learn how to create and sustain  
a workplace that speaks for itself through  
the use of 5S Workplace Organization and  
Visual Control Systems.

**Topics:** How stability and visual  
standardization is achieved using 5S  
how to use the 5S approach to transform,  
support and sustain your program and  
goals, and how to implement visual  
control systems for at-a-glance workflow  
monitoring and management.

**Bonus Content:** Aligning your Lean  
Efforts with the Shingo Prize for Operational  
Excellence. What is the Shingo Prize? Who  
should challenge? Why? Plus great  
networking!

**Now what? Register!** The cost is \$89  
per person – includes breakfast & lunch!  
Visit [www.gbmp.org](http://www.gbmp.org) and click on the  
Events tab or call 617-287-7630.

**All attendees will receive a  
5S gift bag and we will be  
giving away valuable items  
including:** a mobile in-house  
sign shop, a set of 15 Lean  
Training DVDs, a Lean Toolkit  
& a 5S Starter Kit

*\*\* The Lean Consortium is a collaboration between GBMP, Inc., Bosch Rexroth, Airline Hydraulics, Visual Workplace and The 5S Store – a group of like-minded organizations who provide lean education, networking and resources to support enterprise-wide continuous improvement.*
